I understand that water skiing competition involves inherent risks both to the skier and to the boat crew. Some of the possible injuries that can result from (1) a water skiing fall are: sprained/strained muscles, dislocations, and broken bones; and (2) riding in the boat are: being hit by ski handles and getting tangled in ropes that "spring" back into the boat. Also, moving around in a boat as well as riding in a moving boat that makes tight turns may result in a fall and an injury. Failure to follow USA Waterski and Club Rules may result in injury or death. I further understand that the Tournament Committee (Officers of the FWWSC or designee) reserves the right at any time, both before and during said competition to disqualify me and to refuse to allow me to compete in said competition for any reason that they in their sole and unlimited discretion deem just and proper. If such an event should occur I will be entitled to a refund of my entry fee and no more. Please accept my entry in the event marked (x) in the above named tournament. In accepting this entry, I hereby, for myself, my heirs, executors and administrators, and/or for the minor for whom I am signing, release and forever discharge the FAR WEST WATER SKI CLUB, INC their agents, servants, and all persons connected with these competitions, of and from any and every nature whatsoever that I may have, for any and all loss, damage or injury sustained by me at said competition.

I HAVE READ, UNDERSTAND AND AGREE WITH ALL TERMS OF PARTICIPATING IN ABOVE STATED COMPETITION.
